**“Delta’s  
BMS, energy  
management  
and maintenance  
services are highly  
regarded.”**

Their innovative solutions  
have reduced the  
number of equipment  
breakdowns and lowered  
energy consumption for  
the Airport terminal.”

**Telisha Summerfield**

*Assistant Manager – Terminal Business*  
Canberra International Airport

**“Our building  
achieved the first  
6-star NABERS rating  
in Australia.”**

The Delta BMS played an  
integral part in its success.

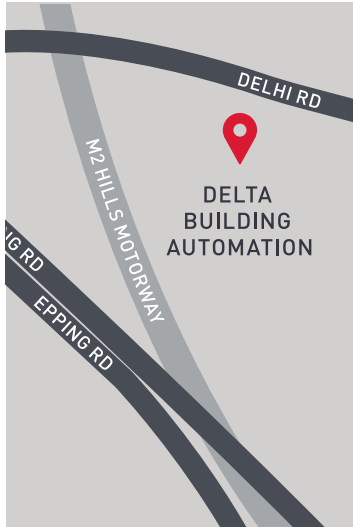

We think highly of Delta's  
products, service and staff.”
